

06.04.2021

Following the update from the Welsh Government on 01.04.2021 and the Prime Minister on 05.04.2021, we would like to confirm that customers living in England will be able to travel for overnight stays on holiday parks in Wales from 12.04.2021.

Due to the Government restrictions, our shared facilities including our Shower Block, Swimming Pool and Laundrette will be closed until further notice.

All customers will need to continue to fill in our Covid-19 Form. The form will need to be completed every 21 days.

If you would like us to email you a copy of our Covid-19 Form, please contact us
